

SIDE 8: ACTOR TWO

ACTOR TWO. A letter arrives one day. My husband opens it. "The burial of the time capsule will take place in your yard this Sunday. Be prepared to place items of great importance in the capsule, which will be opened after the coming Armageddon, as foretold in the book of Revelations by the prophet John."

Our yard is a mess. The yard is overflowing with lipstick and technology. My husband puts the box on a dolly and wheels it out through the cheering crowd. I stand in the doorway, holding my baby.

A man in a silk suit, with a huge forehead and ill-fitting teeth, walks through the crowd in my direction. He carries a shiny, stainless steel tube. Three feet long. His forehead is in my face. The cameras are rolling. He is smiling at my baby. The flashes are flashing. He is smiling at my baby. I yell to my husband. He is smiling at my baby. As I tighten my grip, I am holding only myself. Sleeping amid the chaos, my baby is carried away. I see the capsule opened. A prayer is spoken. I see the capsule close around his body. A shaft in the center of the yard is unveiled. The capsule goes in the earth as the reporters go on the air. The crowd explodes into confetti. And I saw an angel come down from heaven. My husband stands in the driveway, wrapping up a movie deal. And the angel laid hold on the Serpent, which is the Devil. My neighbors are giving exclusives. And the Serpent was cast into the bottomless pit and a seal was set upon him that he should deceive the nations no more.

The man with the huge forehead drives away. I grab at the earth. Alpha and Omega. I grab at the air. The first and the last. I stand in my yard. I am holding only myself.

SIDE 12: ACTORS BOY, TWO, FOUR & SIX

ACTOR TWO. What should an Order member carry at all times?

BOY. An Order member should carry \$500 cash with him at all times.

ACTOR SIX. What numbers should he know?

BOY. He should know the Bear Trap number. He should only call this number if his cover is blown and he is arrested.

ACTOR FOUR. What other numbers should he know?

BOY. He should know the Message Center number. He should only leave messages for other members between four and five p.m. Mountain Standard Time.

ACTOR TWO. Who will relay the messages?

BOY. Carlos.

ACTOR FOUR. Who is Carlos?

BOY. Robert Mathews.

ACTOR SIX. What are phones to an Order member?

BOY. Phones are poison. They are monitored by ZOG.

ACTOR TWO. What words should not be used on the phone?

BOY. Right-wing. Guns. Feds. Money. Dollars. Agents. Warrants.

ACTOR SIX. Why?

BOY. ZOG is listening. There is always a more discreet word that can be substituted.

ACTOR FOUR. How does an Order member confuse ZOG?

BOY. He makes two misleading phone calls each week to various parts of the country, then hangs up. ZOG will have to use extra manpower to follow these false leads.

ACTOR TWO. If ZOG launches an offensive against The Order, what should be done?

BOY. Inflict maximum damage. Go for the brain, not the foot. Go for the throat, not the hand. An individual Aryan Warrior is capable of inflicting great harm to ZOG.

ACTOR SIX. How does a man become an Aryan Warrior?

BOY. By earning one full point under the Point System.

ACTOR TWO. How are points earned?

BOY. Assassinating members of Congress -- one-fifth of a point; Judges -- one-sixth; FBI agents and Federal Marshals -- one-tenth; journalists and local politicians -- one-twelfth.

ACTOR TWO. Is there a way to earn a full point?

BOY. Yes. By assassinating the President of the United States.

ACTOR SIX. What is the ultimate end of politics?

BOY. The ultimate end of politics is war.

ACTOR FOUR. And whose country is this?

BOY. This is God's country which he has given to me.

SIDE 14: ACTOR TWO

ACTOR TWO/JUDITH BERG. At first I thought maybe he had walked Fred, and I kept calling and calling, but he never answered. In between calling him, I called my mother, just to tell her, you know, where I was and that I wouldn't be home that late. Then, later, since she knew where I was, my mother called and she asked Bobby what I was doing. Bobby said we were just sitting there, I was trying to get a hold of Alan. And she said, "Is the television on?" And Bobby said no. And she told her what had happened.
