

SIDE 7: ACTOR SIX

ACTOR SIX. When President John F. Kennedy was shot and killed, I was six years old. My Sunday school teacher was named Mr. Oswald. This confused me. I was confused because this man had shot the President, but was allowed to lead my Sunday school class in prayer. I thought someone would say something. I thought one of the parishioners would say: You know, since Mr. Oswald shot the President, perhaps he should not be on our payroll any longer. But he was there. John 3:16. John 3:16.

He was always very nice during Sunday school. He had a soft voice and crooked teeth and he let us eat pretzels. He looked different than he did on television. As the next Sunday approached, I was worried because I hadn't learned the Bible passage I'd been assigned. Instead, I was sitting on the floor of my parents' bedroom, holding my baby brother, watching television. I saw Mr. Oswald. I saw Mr. Oswald being taken away in handcuffs. I thought, maybe I won't have to learn my Bible passage. Then he got shot. I watched it. They said he was dead. I laid my baby brother on the bed and I learned my Bible passage by heart.

And the following Sunday, Mr. Oswald was there again, teaching us how to pray. Still no one said anything: You know, since Mr. Oswald shot and killed the President and then was gunned down on national television, maybe he should be relieved of his Sunday school duties. But he was there. John 3:16. John 3:16.

To this day, I believe in eternal life.

SIDE 12: ACTORS BOY, TWO, FOUR & SIX

ACTOR TWO. What should an Order member carry at all times?

BOY. An Order member should carry \$500 cash with him at all times.

ACTOR SIX. What numbers should he know?

BOY. He should know the Bear Trap number. He should only call this number if his cover is blown and he is arrested.

ACTOR FOUR. What other numbers should he know?

BOY. He should know the Message Center number. He should only leave messages for other members between four and five p.m. Mountain Standard Time.

ACTOR TWO. Who will relay the messages?

BOY. Carlos.

ACTOR FOUR. Who is Carlos?

BOY. Robert Mathews.

ACTOR SIX. What are phones to an Order member?

BOY. Phones are poison. They are monitored by ZOG.

ACTOR TWO. What words should not be used on the phone?

BOY. Right-wing. Guns. Feds. Money. Dollars. Agents. Warrants.

ACTOR SIX. Why?

BOY. ZOG is listening. There is always a more discreet word that can be substituted.

ACTOR FOUR. How does an Order member confuse ZOG?

BOY. He makes two misleading phone calls each week to various parts of the country, then hangs up. ZOG will have to use extra manpower to follow these false leads.

ACTOR TWO. If ZOG launches an offensive against The Order, what should be done?

BOY. Inflict maximum damage. Go for the brain, not the foot. Go for the throat, not the hand. An individual Aryan Warrior is capable of inflicting great harm to ZOG.

ACTOR SIX. How does a man become an Aryan Warrior?

BOY. By earning one full point under the Point System.

ACTOR TWO. How are points earned?

BOY. Assassinating members of Congress -- one-fifth of a point; Judges -- one-sixth; FBI agents and Federal Marshals -- one-tenth; journalists and local politicians -- one-twelfth.

ACTOR TWO. Is there a way to earn a full point?

BOY. Yes. By assassinating the President of the United States.

ACTOR SIX. What is the ultimate end of politics?

BOY. The ultimate end of politics is war.

ACTOR FOUR. And whose country is this?

BOY. This is God's country which he has given to me.
