

SIDE 6: ACTOR NINE

ACTOR NINE/HALPRIN. I am involved in this defense with Ardie McBrearty. The government is going to suggest that these people are neo-Nazis, but they are *not* going to mention that Mr. McBrearty volunteered in World War II to fight *against* the Nazis. The government is going to suggest that Mr. McBrearty and others here are racists. They are not going to tell you that during the time he has been in prison, he has been teaching a Bible class to *blacks* and *Hispanics*. You have heard that The Order frowned very heavily on race mixing. Well, Mr. McBrearty's son is married to a *Filipino* woman, an *Asian*. They have two children, Mr. McBrearty's grandchildren, who are *half-Filipino*. Very curious behavior for a racist. Very curious, indeed. The FACT is that Mr. McBrearty wasn't even contacted by any of the people who have been involved with this whole mess until after *all* the *big, exciting* crimes had already been committed. What is going on here? The government's idea is to make all these people into one group. They're hoping that after you have sat through oh, two, three hundred witnesses that none of the individual defendants will stand out in any way. A person accused of *murder* will begin to seem *morally identical* to someone accused of walking across a state line with some money. The efforts of the government will be a little like tuna fishing. You take a boat out into the ocean. You drop your nets out. And whatever happens to come up -- whether it's a big tuna or a small tuna, or if it is a dolphin that normally swims in the same waters -- the fisherman makes no attempt to separate the dolphins from the tuna, the baby tuna from the adult tuna. It all ends up in the same net. It all ends up equally dead.

SIDE 9: ACTOR NINE

ACTOR NINE. We are not right or left wing. We are RACISTS. We are now officially operating an underground chapter on your campus, and over thirty chapters nationwide. The NEXT line of leadership shall be a generation of ruthless predators that shall make PAST Aryan leaders and warriors PALE IN COMPARISON. If peaceful means fail, the white youth of this nation shall utilize EVERY METHOD AND OPTION AVAILABLE TO THEM to neutralize and quite possibly engage in WHOLESALE EXTERMINATION OF ALL SUB-HUMAN, NON-ARYAN PEOPLES FROM THE FACE OF THE NORTH AMERICAN CONTINENT.
